

TRANSFORMERS

Alarm-Saf offers several transformers for use with our products or separately as a system component. Devices range from 15 VA Class 2 plug-in transformers to hardwired 650 VA transformers.

SPECIFICATIONS

ORDER INFORMATION			CHARACTERISTICS					Notes
Order #	Model Number		Primary		Secondary		VA	
			Voltage	Current	Voltage	Current		
00608	XFRMR T-12V10A	C	120	2.5	15	18	280	Class 1 Open Frame
